

*PERFSYSTEMS*  
@  
*ORACLE OPEN WORLD,*  
*San Francisco*  
*Oct, 2006!!!*

- *perfSYSTEMS* team participated in **Oracle Open World 2006** in **San Francisco, USA** on **October 22-26**.
- The team included **Raman Govindarajan, CEO** and the technical staffs **Alagarraj, Lohanathan, Sayeekrishna** and **Kenneth Pittman**.

**Perfsystems, ITI and BCT staffs @ OOW 2006!!!**

**perfSYSTEMS** exhibited its products and services in the areas of **Oracle Performance and Security** in booth # 3756, at Moscone West Exhibition hall. The booth had more than 600 visitors over three days. Most of the visitors were curious about the products and patiently waited in line, to view the demos and to chat with our staff.

A number of IT executives, DB architects, DBA's etc., visited our booth, from the fortune 500 companies, in US. Visitors also included staff from top companies in Mexico, Canada, Ecuador, Brazil, UK, Netherlands, Japan, Australia and Middle East.

**Perfsystems Team with visitors @ OOW 2006!!!**

Apart from perfSYSTEMS staff, senior staff's from the partner companies, Insight Technology, Inc., Japan and Ballakur Consulting Inc., Andover, MA, were available to answer questions from the visitors.

*perf*SYSTEMS' booth was also part of the Intel's Itanium Solutions Alliance Passport Program and Intel logo's were displayed at the booth.

- **Perfsystems is going to exhibit more products @ Oracle Open World 2007 at San Francisco.**

**We welcome you to check out our latest products also @  
OOW 2007 @ Moscone South, booth # 2701.**

**PS team at Oracle Campus on OOW 2006!!!**
